

DID YOU KNOW?

POULTRY EXPORTS ADD
\$.28 of VALUE
per bushel

Equating to
\$4.1 BILLION
in REVENUE

The poultry industry consumes 3,500 million bushels of corn

Poultry is the second-largest consumer of corn in the animal-ag sector

Because corn is low in fiber, it's the easiest grain for chickens to digest

Poultry accounts for the largest amount of the U.S. Meat Export market

There are 9 billion broilers across the U.S.

Top Poultry Exporters:

Netherlands

Poland

Belgium

U.S. Top Poultry Customers:

Mexico

Hong Kong

Taiwan
