### FIRST CHECK:

HARVEST AREA, minimum of 1.2500

- 1) Number of rows on the planter
- 2) Length of each pass

HARVEST LOAD, no weigh wagons allowed

- 1) Gross
- 2) Tare
- 3) Moisture

**UPLOAD WEIGH TICKET** – Weigh tickets must include gross, tare, and moisture.

Supervisor must sign the harvest documentation to confirm they were present for the entire weighing process to verify the values submitted.

**UPLOAD ACREAGE HARVEST WORKSHEET** – The supervisor must record the length of each pass and the number of header rows to document and verify that a minimum of 1.2500 acres was harvested.

**Note: All harvest documents without the supervisor's signature will disqualify entrant.**
